Review of the results of the separate financial statements

EXOR S.p.A. closes the year 2015 with a profit of €2,551.3 million (€51.8 million in 2014).
The positive change is primarily due to higher dividends of €2,422.7 million and the reduction in net financial expenses.
The separate condensed income statement and condensed statement of financial position, as well as comments on the year, are available on the website [www.exor.com](#).
