Arenella immobiliare S.r.l

On October 10, 2012 Arenella Immobiliare purchased a hotel property located near Syracuse in Sicily from Blumarini Hotels Sicilia. On the same date, Arenella Immobiliare leased the building complex to the same Blumarini Hotels Sicilia for a period of 20 years. The business purpose of the company is the purchase, management, administration, exchange and sale of properties. The value of the property, acquired for €26 million, was increased by the notary costs and the taxes relative to the acquisition. The income statement figures for 2012 are not significant since the Company began the lease and management of the property.
